Dear Scott,

I wanted to thank you very much for the incredible job that you did on putting a clear bra on my 2007 X5 BMW. I own three other BMWs that have clear bras but do not look half as professionally done as the one you put in for me. I researched four other companies (besides yours) and decided to go with you for the following reasons:

- 1) I left you a message and you got back to me within the hour.*
- 2) Your price was extremely comparable to the other companies.*
- 3) You came to my house on a weekend.*

You were knowledgeable on the clear bras as I was asking numerous questions while you were installing the clear bra. You were efficient and didn't make a mess. I will use your services again in the future. Good luck in the future with Clear Bra Connections.

Regards,

Linda Kehr
